BUSINESS FOUNDATIONS PROGRAM
MIS 302F COURSE EQUIVALENCY GUIDE

Course Number	Course Title
ADV 344K	Advertising Research
ADV 380J	Quantitative and Qualitative Research
ARE 217	Computer-Aided Design and Graphics
ASE 201	Introduction to Computer Programming
AST 351	Astronomical Instrumentation
BME 113L	Intro Numerical Meths in BME
BME 303	Introduction to Computing for Biomedical Engineers
C E 311K	Introduction to Computer Methods
C E 363	Advanced Structural Analysis
C E 381P	Computer Methods in Structural Analysis
CHE 210	Chemical Engineering Computing
COM 309	Communication Technology and Society
CMS 339L	Social Interactions/Virtual Environments
CMS 341	Computer-Mediated Communication
CMS 346	Using Communication Technology
C S 302	Computer Fluency
C S 303E	Elements of Computers and Programming
C S 305J	Introduction to Computing
C S 307	Fundamentals of Computer Science
C S 312	Introduction to Programming
C S 313H/K	Logic, Sets, & Functions
C S 384G	Computer Graphics
C S 398T	Supervised Teaching in Computer Science
DES 311J	Design Technologies I
E E 306	Introduction to Computing
E E 312	Software Design and Implementation I
E E 316	Digital Logic Design
E E 322C	Data Structures
E E 411	Circuit Theory
GEO 325J	Programming in Fortran/Matlab
GEO 325K	Computational Methods
GRG 310C	Spatial Data and Analysis
GRG 360G	Geographic Information Systems
GRG 360N	Computer Applications in Geography
GRG 470C	Advanced Geographic Info Systems
INF 304D	Intro to Information Studies
INF 304W	Introduction to Information Studies
INF 335W	Information in Cyberspace
INF 381W	Advanced Problems in Information Studies

THE UNIVERSITY OF TEXAS AT AUSTIN
McCOMBS Texas BFP
BUSINESS FOUNDATIONS CERTIFICATE PROGRAM

BUSINESS FOUNDATIONS PROGRAM
MIS 302F COURSE EQUIVALENCY GUIDE

Course Number	Course Title
INF 382C	Understanding and Serving Users
INF 385F	Information Architecture and Design II
INF 387C	Managing Info Services & Organizations
INF 392K	Introduction in Permanent Retention of Electronic Records
J 302F	Digital Storytelling Basics
M 348	Scientific Computation in Numerical Analysis
M E 205	Computers and Programming
M E 210	Engineering Design Graphics
M E 302	Intro to Engineering Design & Graphics
M E 340	Mechatronics
M E 348C	Introduction to Mechatronics I
M E 368J	Computer-Aided Design
MIS 301	Introduction to Information Technology in Management
MIS 310	Introduction to Management Information Systems
MIS 311F	Business Foundations: Statistics and Information Studies
MIS 333K	Computer Systems Utilization in Business
MIS 353	Internship in Management Information Systems
MIS 375	Strategic Information Technology Management
MIS 381N	Information and Knowledge Management
MUS 329J	Introduction to Computer Music
NEU 384C	Bootstrap Statistics
NSC 301C	Research Methods: College of Natural Science Prof. Poteet
PGE 310	Form & Sol of Geosystem Engineering
PHY 329	Introduction to Computational Physics
PSY 384C	Bootstrap Statistics
RTF 309	Communication Technology and Society
RTF 312C	Global Media
SOC 317M	Introduction to Social Research
SSC 222	Introduction to Scientific Programming
SSC 335	Scientific & Technical Computing
T C 310	Modes of Reasoning
T D 354T	CAD For Theatre (this topic only)
TXA 355C	Computer-Aided Design for Apparel
URB 315	Urban Studies Research Methods
