(Criteria for a minor, U.T. Residency Requirements, Endnotes, etc…)

ADDITIONAL INFORMATION

While this degree plan attempts to provide you, the student, with accurate information, the final responsibility for knowing and completing degree requirements rests with the student (Undergraduate Catalog). Please contact an academic advisor with any questions you may have.

CRITERIA TO DECLARE MAJOR

- Completed coursework BA 101, M 408K or M408C, M 408L or M 408D, ECO 304K, and ECO 304L.
- 30 hours of college coursework.
- Foreign Language Proficiency – demonstrated by two years of a single foreign language in high school or one year of a single foreign language in college.
- Cleared any high school unit deficiencies. Credit used to remove a deficiency may not be counted toward the degree. It may be earned on the pass/fail basis. *
- Registered at the Ford Career Center.

CRITERIA FOR THE OPTIONAL MINOR

- Students may complete one minor. The minor may be business or nonbusiness.
- Twelve hours in a single field with at least nine hours being upper-division.
- One core business course or one basic education course may be used toward the minor. The Internship course may not be counted toward the minor.
- Six of the hours for the minor must be taken in residence.
- Courses for a minor must be taken on a letter grade basis unless they are only offered on a pass/fail basis.
- Students must meet the prerequisites and other department restrictions placed on courses for the minor.

UT RESIDENCY REQUIREMENTS

"In residence" refers to courses taken at UT Austin; it does not include credit by exam, extension, or distance education courses. All of the following must be completed in residence and no degree will be conferred until all of the following have been completed:

- At least two long semesters or an equivalent period of time.
- A total of 60 hours.
- 24 hours in Business, on a letter-grade basis.
- 12 upper-division hours, on a letter-grade basis, from the major coursework.
- 24 of the last 30 hours.

ENDNOTES

1 Freshmen are required to take BA 101S, freshmen in the Business Honors Program are required to take BA101H, and transfer students are required to take BA 101T.

2 Other combinations of Calculus may be acceptable. *

3 Eligibility to register for RHE 306 is based on your month of birth. Only students with an even-numbered birth month are eligible to register for RHE in the fall semester. In the spring semester only students with an odd-numbered birth month are eligible.

4 Students must have a passing score on the Computer Proficiency Test (CPT) in order to take MIS 301 and BA 324. For more information and to register for the CPT, go to the Instructional Assessment and Evaluation website: www.utexas.edu/academic/mec/

5 (W) indicates a substantial writing component course.

6 This requirement **cannot** be fulfilled by Psychology or Sociology courses primarily covering statistics or data processing.

7 This requirement must be fulfilled by HIS 315K and HIS 315L or by History courses designated in the Course Schedule with the statement: "**Partially fulfills the legislative requirement for American History."** Three hours of Texas History may be substituted for three hours of American History.

8 Other combinations of Government may be acceptable if transferred. *

9 Fine Arts/Humanities courses include any course taken from the following fields: Archaeology, Architecture, Art (including Art History, Design, Studio Art and Visual Art studies), Classics (including Classical Civilization, Greek and Latin), Fine Arts, Humanities, Music (including instruments and Ensemble), Philosophy (**except** courses in logic and argumentation) and Theater & Dance.

10 Three additional hours must be fulfilled by Psychology, Sociology, Anthropology [6]; **OR** Fine Arts/Humanities [9]; **OR** upper-division coursework completed in an approved study abroad program. A list of approved programs is available in the Undergraduate Programs Office (CBA 2.400).

11 A total of six semester hours in science must be chosen from **one** of the following fields: Astronomy, Biology, Chemistry, Geology, or Physics. Meteorology, Physical Science, and PHY 306 **cannot** be used toward this requirement. *

12 This requirement must be fulfilled by one of the following courses: CMS 305, 306M, 319, or 370L.

13 MIS 301 was previously MIS 310. MIS 310 or MIS 301 may fulfill this requirement.

14 Students may take these courses after they have declared their major and completed any other prerequisites listed in the Course Schedule.

15 Only **one** internship course may be counted toward the degree. Students' internship must be approved **before** they can start logging in the required 160 hours. For more information about the internship requirement, visit the advising website: www.mccombs.utexas.edu/udean/advising/internship/

16 Six semester hours must be completed from the following courses: FIN 376, IB 372 (IB 372 may be repeated when topics vary), and MKT 372 (topic: Global Marketing).

17 A total of twelve (12) semester hours beyond the freshman level must be completed in a single foreign language associated with the Area Studies specialization.

18 IB majors may use various combinations of lower-division and upper-division foreign language and the area studies to fulfill a minor. **Students interested in pursuing a minor using foreign language and area studies must see their advisor for approved combinations. ***

19 A total of nine semester hours of upper-division Area Studies coursework focused on a specific geographic region must be completed. These courses must be approved by the IB faculty adviser and should be associated with the foreign language chosen to fulfill the degree requirements. Examples of acceptable fields of study are Latin American Studies; Middle Eastern Studies; Asian Studies; and Russian, East European and Eurasian Studies.

20 The three required Area Studies courses may be used in addition to a fourth Area Studies course to fulfill the minor if all four courses have the same departmental abbreviation or if the courses are from departments with cross-listed courses.

21 All international business majors must study abroad for at least one semester or summer session. Students should study in a country or region associated with their foreign language and area studies specialization. Ideally, the study abroad experience should be in an immersion program that includes courses taken with local students. The IB faculty advisor must approve all study abroad programs in advance. Any McCombs program is acceptable if it takes place in a country in which English is not the dominant language. (The CIBER Summer Study Abroad programs will not fulfill this requirement.) In addition, most affiliated study abroad programs available through the University's Center for Global Educational Opportunities are acceptable, depending on the course of study. Students must complete the equivalent of at least six semester hours during their study abroad period. Credit earned abroad may be used to fulfill other degree requirements if appropriate. See your advisor for additional information. *
