ENGINEERING ROUTE TO BUSINESS 2006-2008

ADDITIONAL INFORMATION

While this degree plan attempts to provide you, the student, with accurate information, the final responsibility for knowing and completing degree requirements rests with the student (Undergraduate Catalog). Please contact an academic advisor with any questions you may have.

CRITERIA TO DECLARE MAJOR

- Completed coursework BA 101, M 408K or M408C, M 408L or M 408D, ECO 304K, and ECO 304L.
- 30 hours of college coursework.
- Foreign Language Proficiency – demonstrated by two years of a single foreign language in high school or one year of a single foreign language in college.
- Cleared any high school unit deficiencies. Credit used to remove a deficiency may not be counted toward the degree. It may be earned on the pass/fail basis. *
- Registered at the Ford Career Center.

CRITERIA FOR THE OPTIONAL MINOR

- Students may complete one minor. The minor may be business or nonbusiness.
- Twelve hours in a single field with at least nine hours being upper-division.
- One core business course or one basic education course may be used toward the minor. The Internship course may not be counted toward the minor.
- Six of the hours for the minor must be taken in residence.
- Courses for a minor must be taken on a letter grade basis unless they are only offered on a pass/fail basis.
- Students must meet the prerequisites and other department restrictions placed on courses for the minor.

UT RESIDENCY REQUIREMENTS

"In residence" refers to courses taken at UT Austin; it does not include credit by exam, extension, or distance education courses. All of the following must be completed in residence and no degree will be conferred until all of the following have been completed:

- At least two long semesters or an equivalent period of time.
- A total of 60 hours.
- 24 hours in Business, on a letter-grade basis.
- 12 upper-division hours, on a letter-grade basis, from the major coursework.
- 24 of the last 30 hours.

ENDNOTES

1 Freshmen are required to take BA 101S, freshmen in the Business Honors Program are required to take BA101H, and transfer students are required to take BA 101T.

2 Other combinations of Calculus may be acceptable. *

3 Eligibility to register for RHE 306 is based on your month of birth. Only students with an even-numbered birth month are eligible to register for RHE in the fall semester. In the spring semester only students with an odd-numbered birth month are eligible.

4 Students must have a passing score on the Computer Proficiency Test (CPT) in order to take MIS 301 and BA 324. For more information and to register for the CPT, go to the Instructional Assessment and Evaluation website: www.utexas.edu/academic/mec/

5 (W) indicates a substantial writing component course.

6 This requirement must be fulfilled by History courses designated in the Course Schedule with the statement: "**Partially fulfills the legislative requirement for American History.**" Three hours of Texas History may be substituted for three hours of American History.

7 Other combinations of Government may be acceptable if transferred. *

8 This requirement may be fulfilled by any course taken from the following fields: Archaeology, Architecture, Art (including Art History, Design, Studio Art and Visual Art studies), Classics (including Classical Civilization, Greek and Latin), Fine Arts, Humanities, Music (including instruments and Ensemble), Philosophy (**except** courses in logic and argumentation) and Theater & Dance.

9 Three additional hours must be fulfilled by Psychology, Sociology, Anthropology[10]; **OR** Fine Arts/Humanities [8]; **OR** upper-division coursework completed in an approved study abroad program. A list of approved programs is available in the Undergraduate Programs Office (CBA 2.400).

10 This requirement **cannot** be fulfilled by Psychology or Sociology courses primarily covering statistics or data processing.

11 This requirement must be fulfilled by one of the following courses: CMS 305, 306M, 319, or 370L.

12 ERB students may use M 427K in addition to either M 408C or 408D and two additional upper-division math courses for a minor in math.

13 Students planning to take Computer Science courses should take PHL 313k.

14 MIS 301 was previously MIS 310. MIS 310 or MIS 301 may fulfill this requirement.

15 Students may take these courses after they have declared their major and completed any other prerequisites listed in the Course Schedule.

16 Only **one** internship course may be counted toward the degree. Students' internship must be approved **before** they can start logging in the required 160 hours. For more information about the internship requirement, visit the advising website: www.mccombs.utexas.edu/udean/advising/internship/

17 Students must choose nine (9) hours from **one** of the following **Business Block** options: Supply Chain Management, Management Information Systems, Finance/Accounting or Marketing. * [***Note: See the ERB Advisor in CBA 2.400 for the acceptable courses for each block. Courses prerequisites are not always included in degree requirements.]***

18 Students must choose twelve (12) hours, six (6) of which must be upper-division, from **one** of the following **Engineering Block** options: Operations Engineering, Mechanical Systems, Computer Engineering, Electrical Engineering, Civil Engineering, or Chemical Engineering. * ***[Note: See the ERB Advisor in CBA 2.400 for the acceptable courses for each block. Courses prerequisites are not always included in degree requirements.]***

19 ERB students may use their Engineering Block Option for the optional minor if the courses have the same departmental abbreviation and at least 3 courses are upper-division. See **"Criteria for the Optional Minor"** above. ***[Note: The courses used in the Business Block Option cannot be used toward the minor.]***
