

Commencement - Special Student Role - Application

Please submit this application to Wesley King in the Office of Student Life, CBA 2.302, or email Wesley.king@mccombs.utexas.edu

Please circle the role for which you are applying

Banner Carrier

Singer

Speaker

Student Speaker: The person selected for this role will give an address to the graduating class during the commencement ceremony. This speech compliments the formal guest speaker and faculty speaker by serving as the voice of the graduating class. This speech should offer insight, thanks, and celebration of the graduating class. The person selected will process in with the house party and be seated on stage during the ceremony.	
Student Singer: The person selected for this role will sing "Eyes of Texas" at the conclusion of the commencement ceremony with the accompaniment of the Longhorn Band quintet. The performance will take place on the stage with the podium microphone. The person selected will process in with the house party and be seated on stage during the ceremony.	
Banner Carrier: One person from each major (Accounting, Business Honors Program, Engineering Route to Business, Finance, International Business, Management, Management Information Systems, Marketing, Supply Chain Management) will carry a banner bearing the name of their major. This person will also lead the graduates from their major into the ceremony and assist with the seating of graduates from their major. Once all students from their major are seated, this person will carry the banner to the stage. This concludes the responsibilities of the banner carrier. Persons serving as banner carriers will sit with their major for the ceremony.
