CLASS OF 1952 REUNION

The undergraduate experience at the McCombs School shapes the lives of our students and sets them on a path to achieve their life goals. Academically challenging and personally enriching, the BBA program prepares students for tomorrow's challenges.

Many of our graduates credit their career success to the advantages enjoyed at the McCombs School. Giving back to their school is one way our alumni can show their fond regard for their alma mater while helping make a difference in the lives of today's students.

2001-02 BBA Participation: 6% Compared to peer schools (with average giving of 24%) there is great opportunity to demonstrate support for our school and make a real impact.

"A BUSINESS DEGREE OPENS THE DOOR TO ANYPLACE YOU WANT TO GO. EVEN AT AGE 90, I STILL USE MY BBA EVERYDAY OF MY LIFE."
