

2002 BHP
MAKE A MARK
CAMPAIGN
PLEDGES

ROBERT CHEN AND LYNN POPIEL, CHAIR

Student giving makes a difference.

For the third time in McCombs School history the Business Honors Program graduating seniors have organized their own fundraising campaign. The Class of 2002 had the highest participation of any Make A Mark Campaign! The money raised from the Make a Mark Campaign funds an endowed scholarship for future BHP students. The success of the campaign was due in large part to the leadership of campaign chair Lynn Popiel. A big thank you goes out to Lynn and all BHP Seniors for their generous support of the Business Honors Program, and to Goldman Sachs, for the very generous matching gift.
