REQUIREMENTS

The Professional Sales and Business Development Minor is a joint program through the McCombs School of Business and the Moody School of Communication. However, it is open to students of all majors and we encourage applications from a wide range of students. More information and application at:

www.mcombs.utexas.edu/Departments/Marketing/Professional-Sales-Minor

At minimum students must:

- have a cumulative University GPA of at least 3.00 (requirement may be waived by committee)
- be recognized by the University as either in their Sophomore or Junior years.
- have elected to be under the 2020-2022 course catalog. **Check with your advisor to determine how this will affect your course of study.**

Admission to the minor is based on a student's overall academic record, including but not limited to hours and rigor of courses taken in residence, cumulative GPA, and demonstrated interest. Participation across majors will be taken into consideration.

FULFILLING THE MINOR

Admitted Students must contact their home college to have the Sales and Business Development Minor added to their degree audit profile, otherwise, they cannot receive transcript recognition upon completion of the requirements.

To fulfill the minor, students must complete **16 semester hours of coursework** as described below. No course substitution will be allowed. Students must earn a combined grade point average of at least 3.00 in these courses. All required minor coursework must be completed in residence at The University of Texas at Austin (with an exception to the approved course list below). All coursework must be taken on a letter-grade basis (unless the course is only offered on a pass/fail basis) and completed in conjunction with the student's major requirements at the time of graduation. The University requires at least nine hours of the minor to be coursework not used to satisfy the requirements of the student's major. Registration for any of these courses requires that prerequisite course requirements are met.
