# **VITA (August 31, 2020)**

of

# UTTARAYAN BAGCHI

Professor

The University of Texas at Austin

Home: Work:

4834 Twin Valley Drive Department of Information, Risk, & Operations Management

Austin, Texas 78731 The University of Texas at Austin

Austin, Texas 78712

Ph: (512) 627-6992 Ph: (512) 471-5295 Ph: (512) 373-3763 Fax: (512) 471-3937

E-mail: uttarayan.bagchi@mccombs.utexas.edu

### **EDUCATION**

Ph.D. The Pennsylvania State University, August 1982

Major: Operations Management

M.S. Washington State University, August 1978

Major: Chemistry

M.Sc. Indian Institute of Technology, Kharagpur, July 1976

Major: Chemistry

B.Sc. Indian Institute of Technology, Kharagpur, July 1974

Major: Chemistry

# **EMPLOYMENT**

Assistant Professor, Department of Management (1982-1986), The University of Texas at

Associate Professor, Department of Management (1986-1992), The University of Texas at Austin.

Visiting Associate Professor (Summer 1989, Summer 1991), Helsinki School of Economics and Business Administration.

Professor, Department of Management (1992-2005), The University of Texas at Austin Professor, Department of Information, Risk, & Operations Management (2005-), The University of Texas at Austin

#### HONORS AND AWARDS

Faculty Honor Roll, Fall 2010

EEM (Executive Engineering Management Program) Outstanding Faculty Award, August 2008 MSTC (Master of Science in Technology Commercialization Program)

Outstanding Professor Award, May 2007

MSTC (Master of Science in Technology Commercialization Program)

Outstanding Professor Award, May 2006.

Core Faculty Honor Roll, Fall 2000, Spring 2001, Spring 2002 - McCombs School of Business.

Voted most effective professor by first-year MBA students, Fall 1995, Graduate Business Council, The University of Texas at Austin.

Joe D. Beasley Award for teaching excellence in the masters' curriculum, 1991, Graduate

School of Business, The University of Texas at Austin.

Outstanding MBA Elective Professor, Fall 1990, Graduate Business Council, The University of Texas at Austin.

Outstanding MBA Core Professor, Spring 1985, Graduate Business Council, The University of Texas at Austin.

Best Outgoing Student, 1975-76, The Chemistry Society, Indian Institute of Technology, Kharagpur.

National Science Talent Search Scholar, 1971-76, Government of India.

### TEACHING EXPERIENCE

The University of Texas, Austin (1982 - ): Undergraduate OM 335 Operations Management

OM 335H Operations Management (Honors)

OM 337 Total Quality Management

OM 367 Strategic Supply Chain Management

Graduate

BA 380N Operations Management (MBA Core, HMBA Core, EMBA Core)

**Advanced Operations Management** OM 386

**Supply Chain Analytics** OM 380

Operations Management (MBA Elective) MAN 384

Sequencing and Scheduling (Ph.D. Seminar) MAN 392

MAN 386 Management of Quality (MBA Elective)

Converting Technology to Wealth STC 380

STC 386T2 Risk Analysis

Strategic Decision & Risk Analysis ENM 383.2

The Pennsylvania State University (1979-1982):

Undergraduate

MGMT 210 **Operations Management** 

Operations Planning and Control MGMT 410

Graduate

MGMT 510 **Operations Management** 

## DOCTORAL PROGRAM INVOLVEMENT

Chairman of Permanent Ph.D. Committee of:

Reza H. Ahmadi (Management), graduated May, 1988,

Member of Permanent Ph.D. Committee of:

Yih-Long Chang (Management) - Graduated May, 1985

Tapan K. Mallik (General Business) - Graduated August, 1985

H. V. Ravinder (Management) - Graduated May, 1986

Javad Ahmadi (General Business) - Graduated December, 1986

Chang Juck Suh (Management) - Graduated December, 1987

Manuel Laguna (Mechanical Engineering) - Graduated May, 1990

Samar Mukhopadhyay (Management) - Graduated December, 1990

Hongyu Li (Management) - Graduated May, 1992

Chon-Huat Goh (Management) - Graduated May, 1992

Wen-Hsien Chen (Management) - Graduated May, 1992

Tian-Shyug Lee (Mechanical Engineering) - Graduated December, 1993

Constantin Vaitsos (Management) - Graduated August, 1995

Isnoerwati Soejoto (Educational Administration) - Graduated May, 1996

John Chambers (Mechanical Engineering) - Graduated August, 1996

Anita Crockett (Nursing) - Graduated May, 1997

William Nanry (Mechanical Engineering) – Graduated May, 1998

Noreen Thomas (Education) – Graduated May, 1998

John Christopher Butler (Mgmt. Sci. and Info. Sys. – Graduated August, 1998

Shantanu Bhattacharya (Management) – Graduated August, 1998

Saurabh Gupta (Management) – Graduated December, 1998

Anand Paul (Management) – Graduated August 2000

Jeriad Zoghby (Mechanical Engineering) – Graduated December 2002

Michael Bradshaw (Education) – Graduated August 2003

Siwate Rojanasoonthon (Mechanical Engineering) – Graduated December 2003

Lily F. Tercero (Education) – Graduated May 2004

Karthik Ramachandran (IROM) – Graduated 2007

Sinan Erzurumlu (IROM) – Graduated 2007

Patrick Downes (IROM) – Graduated 2014

Jeyoung Woo (Construction Eng. and Project Management) – Graduated 2018

Zhe Yin (Construction Eng. and Project Management)

## M.B.A. PROFESSIONAL REPORT SUPERVISION

Long, S. A., August 1985, Reversing the Decline of American Industry

Thomas, B. F., August 1985, Robotics: Trends, Effects on Employment and Implications for Management.

Borsos, C. P., August 1986, A Manager's Guide to CAD/CAM.

Bequette, T. P., August 1986, Bar Code Technology: Applications in Manufacturing.

Miller, M. R., August 1986, Locating the Company Site: In Theory and in Practice.

Sellers, B. G., December 1986, The Role of Simulation Analysis in Computer Integrated Manufacturing.

Hersh, M. J., December 1986, Robots and FMS: A Managerial Overview.

Mourelatos, A. A., December 1986, Just-In-Time and Computer Integrated Manufacturing: Tools to Make American Manufacturing a Competitive Weapon.

Choong, I. W. K., December 1986, Development of an Expert System for Job-Shop Scheduling.

Braverman, S.J., December 1987, A Case Study in Project Scheduling.

Murphy, S. C., December 1988, An Examination of History, Characteristics and Competition in the Manufacturing Applications Sector of the Software Industry Westby, J.M., December 1989, Selling the Factory of the Future.

#### **SERVICE**

## **DEPARTMENT OF MANAGEMENT**

Operations Management Area Faculty Coordinator--(1986-91)

Executive Committee--(1984-89)

Executive Committee (ex officio)--(1990-91)

Graduate Studies Committee Chairman--(September 1990 - December 1993)

Associate Department Chairman--(September 1990 - June 1991)

Department Chairman--(July 1991 - January 15, 1994)

Faculty Advisor to the Quality Management Consortia—(1996-2001)

# **DEPARTMENT OF INFORMATION, RISK, & OPERATIONS MANAGEMENT**

OM Area Faculty Coordinator—(September 2008-March 2012)

OM Area Faculty Director – (March 2012 – August 2015)

OM Area Faculty Coordinator – (September 2015 – December 2016)

MBA SCM Concentration Advisor – (September 2015)

BHP Course Advisor – (September 2012 -)

OM 335/335H Course Coordinator – (September 2008 - 2020)

OM Area Chief Teaching Mentor (September 2018 -)

#### COLLEGE

Graduate School of Business Standing Committee--(1986-88)

MBA Core Course Coordinator—Operations Management (1987-93, 94-)

MBA Curriculum Revision Task Force--(1992)

Chairman, MBA Core Council-- (1998-2000)

College of Business Administration Teaching Awards Committee--(1994, 1996, 1997)

CBA Honors Program (2002-2003)

MBA Core Council--(1992-93, 1994-2003)

MBA Scholarship Committee (2003)

### **UNIVERSITY**

University Parking and Traffic Panel--(1987-89)

UT/IBM Total Quality Management Proposal Task Force--(1992)

Continuing University Fellowship Committee—(1997-99)

Graduate Studies Committee (MSSTC Program)—(1999-2010)

Faculty Welfare Committee (Vice-Chair)-(2009-2010)

Faculty Welfare Committee (Chair) – (2010-2011)

Parking and Traffic Appeals Committee – (2011-)

#### PROFESSIONAL ACTIVITIES

Associate Editor for <u>Decision Sciences</u> (August 1986-December 1989)

Referee for Management Science, Operations Research, Decision Sciences, Naval
Research Logistics, Engineering Economist, European Journal of Operations Research,
Journal of Operations Management, Decision Support Systems, IIE Transactions,
INFORMS Journal on Computing, Manufacturing and Service Operations Management,
International Journal of System Sciences

Book Reviewer for West, Dryden Press, Addison-Wesley, Prentice-Hall and Macmillan

Proposal Reviewer for National Science Foundation.

## **EXECUTIVE EDUCATION**

Dr. Bagchi has conducted numerous management development programs both in this country and abroad in a variety of topic areas including world-class manufacturing, business process redesign, quality deployment and implementation, service quality, customer service, project management, risk analysis, supply chain management, and service operations management.

### PROFESSIONAL ORGANIZATION MEMBERSHIP

Institute for Operations Research and the Management Sciences Production and Operations Management Society
