# **Texas McCombs Recruiting Requirements**

In order to be eligible for the <u>RecruitMcCombs</u> or <u>RecruitTexasMBA</u> online recruiting systems and/or McCombs-facilitated interviews, employers and opportunities offered must align with the following Recruiting Requirements:

#### **Employers**

- To help staff and students evaluate opportunities, all employers must be established with a professional website, and recruiters must use a professional/organization-related email address (e.g., no Gmail or Yahoo accounts).
- In-home positions at personal residences are prohibited for both internship and full-time opportunities.
- Virtual internships are allowed if they align with company guidelines for all employees. Students should not
  incur any additional expenses as a result of working virtually and must be provided with the tools needed to
  complete their assignments (e.g., computer, software, etc.). Virtual internships may not meet the internship
  requirements for academic credit. Decisions regarding whether or not a student will be able to receive
  academic credit for an internship are made at the academic departmental level.
- Employers without a physical office may be subject to additional vetting processes and agreements.
- The <u>RecruitMcCombs</u> and <u>RecruitTexasMBA</u> recruiting systems are not available to headhunters or third-party recruiting companies.

### Compensation

- Positions must be salaried or hourly wage roles within organizations. Compensation must average hourly above Texas minimum wage.
- Roles that have a base salary in addition to some form of commission structure are appropriate as long as the positions offer the salary component for at least one year of employment.

- Undergraduate Leadership Development/Diversity Program opportunities are permitted on <u>RecruitMcCombs</u>. Fee-based programs are not permitted.
- Roles must be professional in nature, requiring the possession or pursuit of a business degree.
- Temporary (<1 year) full-time roles are not allowed.</li>
- The job description must include a general scope of work as well as a detailed overview of the position responsibilities.
- See chart below for additional detail.

## **Work Experiences Not Eligible**

- Internships comprised entirely of door-to-door sales or working away from the supervisor with limited supervision and oversight
