

David A. Lorch

Managing Director

Cerberus Capital Management

Mr. Lorch is a Managing Director on the Supply Chain and Strategic Opportunities team, which invests in businesses driving next-generation technologies and capabilities that advance supply chain integrity.

Prior to re-joining Cerberus in 2022, Mr. Lorch served as a Managing Director and member of the investment committee at Kohlberg & Company, a middle market private equity firm. During his 12-year tenure at Kohlberg, Mr. Lorch was responsible for executing investments and monitoring various portfolio companies across the healthcare, financial services, business services, and industrials sectors. Mr. Lorch began his career at Cerberus as a member of the Private Equity team.

Mr. Lorch graduated from Harvard College.
