***Roundtable on International Supply Chain Management***

Topic: Assurance of Supply in Global Supply Networks

Date and Time: November 10, 2006, 8am-3pm

Location: Red McCombs School of Business (CBA), 2100 Speedway in room GSB 3.104

**Event Description:**

Sourcing supply from around the world can be a challenging and risky business. The purpose of this Roundtable is to discuss what companies and governments are doing to develop supplier bases and supply network infrastructures in order to assure supply and reduce risks caused by disruptions.

**Agenda**
