Outgoing freight services: Lone Star Decorating is requiring all exhibitors to check-in their outgoing shipments at their service desk. Do not simply drop off your outgoing freight in the area—items tend to be misplaced when not properly checked in. For outgoing freight services, you must have outgoing labels and make prior arrangements with your carrier (UPS, FedEx, etc.) to pick up your material from the Rec Sports Center between the hours of 5:30pm – 8:00pm. UPS & FedEx require a 24 hour notice. The address for the Rec Sports Center is as follows:

Rec Sports Center University of Texas 2100 San Jacinto Blvd. Austin, TX 78712

Other freight handling information:

- **1.** Make certain all material is properly insured against fire, theft, and all hazards while in transit to and from your booth and for the duration of the exhibition.
- 2. It is the exhibitor's sole responsibility to label each piece of outbound shipment and submit to Lone Star Decorating a completed bill of lading covering each outbound shipment. Lone Star Decorating will not be responsible for delay of rush shipments, which will be expedited to the best of their ability. Lone Star Decorating will not be responsible for conditions, count, or content until such time as exhibit or materials are picked up for removal after the close of the exhibition.
- **3.** Exhibitor routings on outbound shipments will be honored when possible, however the right is reserved to reroute any outbound shipment not picked up within allotted move-out period by exhibitor specified carrier. Exhibitor must arrange for special carrier. Exhibitor materials remaining after the move-out period without forwarding instructions will be forwarded to the permanent address for the exhibitor or his agent, freight collected, and no liability of any nature shall attach to exhibit management or to Lone Star Decorating. In any event, Lone Star Decorating will not be liable for exhibit materials abandoned at the exhibit site.
