Directions to McCombs School of Business: Construction Addendum

Due to construction around the McCombs building, our entrance may be a little harder to find. I am offering two parking options and routes below. I typically direct our guests to park in the Brazos Garage, but this route will require you navigate the construction. You may also choose to park in the AT&T Conference Center Garage to avoid the construction.

Please note that this construction does not affect your driving route, just the walk to our building. If you are not parking, but being dropped off by taxi, then the construction does affect your route. I have included recommendations for this below as well.

BRAZOS GARAGE

The closest parking garage is the Brazos Garage at Brazos and MLK just off of I-35.

McCombs School of Business

From the Brazos Garage, take Jester west (left) to Speedway north (right) and take 21st west (left). The entrance will be before the connecting walkway over 21st on your right.

Areas affected by construction

Walking is not an issue in these areas, but driving is.

Corner of Speedway and 21st St. looking NW

Note that construction blocks the front of the McCombs building on 21st St., but ends just before the building entrance (entrance show in far right image).
AT&T Garage (and drop-off by taxi)
The AT&T Garage at 20th and University just off MLK.

AT&T Garage
From the AT&T Garage, take 20th east to University north (left) and take 21st east (right). The entrance will be after the connecting walkway over 21st on your left.

Taxi Drop-off
From MLK take University north and take 21st east (right).

Areas affected by construction
Walking is not an issue in these areas, but driving is.
