

Monica Huber
President
Huber Advisory Services, PC
Flower Mound, TX

Monica Huber is the President of Huber Advisory Services, PC. Monica has over 30 years of management consulting experience focused on M&A, business transformation and systems implementations in a variety of industries. Prior to starting her own firm in 2010, Monica was a Director at BearingPoint providing business and tax consulting to senior level executives, leading large teams and delivering client projects to achieve planned business growth and cost management objectives. Monica served as a Research Fellow in BearingPoint's Institute for Executive Insight where she was responsible for key C-level issue primary research design, execution and executive education. Monica also worked as Senior Manager at KPMG Consulting managing delivery of finance transformation and process optimization leveraging AI, finance system integration, business transactions, M&A integration, shared services and outsourcing/offshoring, cyber risk management and remediation and regulatory compliance. Monica began her career in the audit practice of KPMG, LLP.

Monica serves as a Faith and Finance facilitator and personal finance mentor to women and families in crisis with guidance toward self-sufficiency and served as a member and co-chair of the Texas McCombs Parent's Council. Monica earned a BBA from The University of Texas and holds a CPA license in the state of Texas.
