**Managing Director – Wealth Management Private**  
**Wealth Advisor**  
**UBS**

Daffan is a founding partner and a private wealth advisor for the C2 Advisors Private Wealth team. Daffan accesses the full range of the firm’s global solutions to address the multigenerational needs of successful families, business owners and private equity executives. She offers her private wealth management clients the insight of more than 10 years in the investment banking industry. Daffan clearly understands what they experience when undertaking a liquidity event and can prepare them

financially and personally. What’s more, Daffan’s in-depth knowledge of the credit markets enables her to seamlessly navigate the structuring of credit opportunities for her clients to consider.

Always striving to be the single point of contact for all her clients’ financial needs, Daffan is committed to a service promise that runs deep, and her advice is comprehensive, covering asset management, liquidity management, estate planning and philanthropy. She focuses on helping them simplify and make better decisions with their wealth but also serves a resource for everything in their daily lives—a role she welcomes. Her clients become like family.
