

Bill Braun
Chief Information Officer
and President, Information Technology
Company
Chevron
Houston, TX

Bill Braun is Chevron's chief information officer and the president of its Information Technology Company. Bill assumed this role in 2015 and is based in Houston, TX.

Bill joined Chevron in 1991 as a programmer, and has held technical and management positions across the organization, including Chevron North America Exploration &

Production, Supply & Trading and ITC. These positions included responsibilities in telecommunications, fraud management, project management and operations. He has served with the corporation in Texas, California, and Singapore.

Bill received his bachelor's degree in mathematics from the University of St. Thomas, Houston, TX, and completed the Harvard Business School's Advanced Management Program in 2014. He serves on the Board of Directors for SEARCH Homeless Services of Houston and as a co-chair for the Governing Body of the Houston CIO Executive Summit.
