

INTEGRATED MPA

PRE-iMPA COURSE PLAN

Students under the 2026-2028 Catalog:

Interested in iMPA?

Follow this course plan through your third year to set you up for success

FIRST AND SECOND YEARS

In general, students interested in applying to the iMPA program should, in their first and second years, complete the standard BBA curriculum while making strong progress on general education and UT Core requirements.

THIRD YEAR

In the third year, students interested in iMPA should focus on completing required upper-level accounting coursework.

FOURTH YEAR

In the 4th year, admitted iMPAs will begin graduate coursework while finishing any remaining undergraduate requirements.

FIFTH YEAR

The 5th year will focus on completing graduate coursework and, if applicable, professional certification exams.

Following the plan of coursework below should allow for a reduced courseload in the fifth year to accommodate studying for certification exams as well as the opportunity to work as a teaching assistant.

FIRST YEAR

Fall	Spring	Summer
BA 110G	BA 111G	UT Core*
M 408Q	STA 301	UT Core*
ECO 304K	ECO 304L	
RHE 306	MIS 301	
UGS 302 or 303	PSY, SOC, ANT, or EDP	
	UT Core*	

SECOND YEAR

Fall	Spring	Summer
BA 324	BA 120G	UT Core*
ACC 311	ACC 312	UT Core*
STA 235	OM 235	
DS 235	FIN 357	
UT Core*	UT Core*	
Free elective	Free elective	

THIRD YEAR

Fall	Spring	Summer
ACC 151	ACC 332-Intermediate Acc. II	UT Core*
ACC 331-Intermediate Acc. I	ACC 3 hours up-div.**	UT Core*
ACC 3 hours up-div.**	MAN 336	
MKT 337	Upper-div. nonbus. elective	
LEB 323 or BGS 337	Free elective	
Upper-div. nonbus. elective	Submit iMPA application	

*UT Core includes: Natural Science & Technology Part I (6 hours); U.S. History (6 hours); GOV 310L; GOV 312L; Visual & Performing Arts; E 316L/M/N/P. Completing these courses early in your college coursework creates space in your 3rd and 4th years for upper-level course requirements.

**Strongly recommended 3rd year upper-division accounting courses: ACC 355-Intro to Tax; ACC 358C-Auditing/Assurance Services; and ACC 328-Management Accounting. Choosing from this set of courses will keep you on track toward graduate degree and CPA requirements.
