The BBA Etiquette Dinners are hosted each Fall and Spring. They provide networking practice for approximately 60 McCombs BBA students with a networking session in addition to learning the do’s and don’ts of business dining etiquette. Employers are seated with students to share stories and give business networking advice. Sponsors will have the opportunity to give a brief introduction to the entire group regarding their company and career opportunities for our BBA students. Sponsors are encouraged to send one to two representatives.

FALL 2020

Get to know BBA students as they learn the do’s and don’ts of business dining!
