MCCOMBS DIVERSITY COUNCIL

ABOUT THE PROGRAM

The McCombs Diversity Council is a BBA Student Organization with the collective goal of educating students about **diversity and diversity related issues in the workplace**. The council strives to create an atmosphere that **recognizes diversity as a competitive advantage** through maximizing its multicultural resources and by building a business school that accurately **reflects the greater global community**. By **creating long lasting relationships with companies that value diversity**, our students become leaders in the increasingly global market.

Through our partnership with BBA Career Services, we are able to make **an impact** on both students and working professionals.

Diversity is more than skin deep.
