Please pull a ticket from the garage machine to gain entrance into your garage. Bring your ticket to the Recruiter Check-In table to exchange it for a one-time use pre-paid parking card. Upon exiting your garage, swipe this card in the ticket reader. Each company is provided 2 parking permits unless additional permits have been requested in advance. Extra permits may be purchased for \$12 each. If additional permits are needed on the day of Expo, please see a representative at the Recruiter Check-In table.
