ATTACHMENT
DOUBLE DEGREE AGREEMENT
ESCUELAS DE GRADUADOS EN ADMINISTRACIÓN Y DIRECCIÓN DE EMPRESAS
INSTITUTO TECNOLÓGICO Y DE ESTUDIOS SUPERIORES DE MONTERREY
and
McCOMBS SCHOOL OF BUSINESS
THE UNIVERSITY OF TEXAS AT AUSTIN

Minimum academic requirements for admission to the Double Degree Program:
- GMAT: Minimum score of 600
- TOEFL: Minimum score of 105 (internet), 260 (computer) or 620 (paper)
- Three years of relevant work experience are expected.

Number of students per year from each institution admitted to the program:
- Up to eight students per year, total from all campuses.

EGADE Campuses Included in the Agreement
- EGADE Campus Guadalajara
- EGADE Campus Monterrey
- EGADE Zona Centro (includes Campus Estado de México, Campus Querétaro, and Campus Toluca)
- EGADE Zona Metropolitana de la Cuidad de México (includes Campus Santa Fe and Campus Ciudad de México)

McCombs Requirements

Coursework:
Double Degree students coming to McCombs from EGADE are required to sign up for certain courses dealing with the business environment in the United States. At present, we require one such course, a full-semester course selected from a series called "Managing People."

Technology Requirements for the Common Operating Environment (COE) at McCombs:
Access to a laptop that meets a minimum of standard specification is mandatory to be a member of the McCombs MBA community. EGADE Double Degree students can provide their own laptop or buy the COE machine made available to incoming McCombs MBA students. Specifications are updated annually and can be obtained from the McCombs Double Degree Coordinator.
**EGADE Requirements:**

**Coursework:**
Double Degree students coming to EGADE from McCombs must complete current McCombs second-year core course requirements, if any, by taking an equivalent course at EGADE. These courses should be identified by the student and approved in advance, if possible. At present, the only McCombs second-year required core course is Managerial/Tax Accounting. The course at EGADE that best fulfills this requirement is Cost Control and Managerial Accounting, although alternative courses may be approved on a case-by-case basis.

Double Degree students coming to EGADE from McCombs may select from a variety of electives. Electives differ by campus, and course availability will be updated annually by the EGADE Double Degree Coordinator. The four schools have a sufficient number of electives (second year courses) for all students to successfully finalize their degrees. However, these electives can be characterized by campus in terms of:

- **EGADE Campus Monterrey** has an emphasis on new venture creation, finance and marketing;
- **EGADE Zona Metropolitana** has an emphasis on finance and innovation;
- **EGADE Zona Centro** has an emphasis on family business and international business;
- **EGADE Campus Guadalajara** has an emphasis on international business and SMEs.

Agreed to this 1st day of May 2008.
