**Class location:** UTC 3.102

**Class time(s):** MW 2:00 to 3:30

**Office Hours:** After class or by appt.

**Course Description**

The course serves as an introduction to the fundamentals of international financial management and the challenges and opportunities that corporations and investors face in the global economy. The nature of exchange rates and their impact on corporate decisions provide a foundation for discussing corporate strategy and the decision to invest abroad, foreign exchange market equilibrium conditions, and managing exchange risk. The nature and value of international trade and financial flows are evaluated and the balance of payments concept is discussed. The impact of global taxing regimes on business strategy will be analyzed. Ethical issues encountered in the international arena are also covered as well as principles of business strategy and use of derivative instruments.

**Pre-requisites**

FIN 357 or 357H

**Course Objectives/Learning Outcomes**

1. Explain the goals and functions of international financial management in an ethical business environment.
2. Discussion of various issues encountered in the current global environment.
3. Understand the role and function of international financial markets.
4. Discuss how business strategy is influenced by public sector decisions (taxation, etc.) as well as those of the private markets (competitor actions, et al.)
5. Explain the concept of international flow of funds and discuss the factors which impact them.
6. Compute exchange rates and analyze how exchange rates change due to changes in macroeconomic variables.
7. Define and explain the concept of equilibrium exchange rates; understand the fundamentals of arbitrage and hedging.

**Required/Recommended Course Materials** (textbooks, software, hardware, misc.)

The textbook used will be "Fundamentals of Multinational Finance" by Moffett, Stonehill, and Eiteman (Addison Wesley, **6th Edition**). Problems and cases will come from this textbook and class discussion will be supplemented by current events and news articles. For this class, you will need a calculator.

## **Grade Determination**

All exams and other items below will receive a numeric score which is then converted to a percentage score (i.e. 42/50 = 84%) and then the weightings below are applied to come up with a weighted percentage score. Given that this is an upper level class, there will not be a firm cutoff for determining letter grades for a given composite percentage score. It is expected that the distribution will be considered and letter grades assigned such that the overall grade point average for the class will be in the range of 3.40 to 3.60.

## **Weighting of Items**

Mid-term exam 1	20%
Mid-term exam 2	20%
Case assignments (2)	10%
Class Preparedness and Contribution	5%
Final Exam	45%

The dates for the mid-terms and the due dates for the case assignments are included in the detailed class calendar. The final exam will be conducted during the scheduled slot during finals week that is set aside for courses in this time slot. Make-up and extra credit work is not possible for this class.

## **Homework**

Questions and problems will be assigned throughout the class. The homework is not going to be collected but it will often be covered in class by the students (see Class Preparedness and Contribution above). Please take your homework assignments seriously – they will ensure that you are staying current in the material and will make classroom discussion more interesting. Obviously, working collaboratively on homework is allowed and encouraged.

## **Business Case Assignments**

There will be two case studies that will be assigned and completed by all students working individually. The case write-up will be submitted by the deadline and then the case will be discussed in class.

## **McCombs Classroom Professionalism Policy for this class**

The highest professional standards are expected of all members of the McCombs community. The collective class reputation and the value of the Texas McCombs experience hinges on this.

Faculty are expected to be professional and prepared to deliver value for each and every class session. Students are expected to be professional in all respects. The Texas McCombs classroom experience is enhanced when:

- **Students arrive on time.**
- **Students display their name cards.**
- **Students are fully prepared for each class.**
- **Students respect the views and opinions of their colleagues. Disagreement and debate are encouraged but intolerance for the views of others displays a lack of leadership skills.**
- **Laptops are closed and put away at all times.**
- **Phones, tablets and wireless devices are turned off and put away.**
- **Unscheduled personal breaks are minimized.**

### **Academic Integrity**

Dishonest students lose the respect of their classmates. As the instructor for this course, I agree to observe all of the faculty responsibilities described in the Honor System. The responsibilities for both students and faculty with regard to the Honor System are described on the UT BBA website.

### **The Honor Pledge**

The University of Texas at McCombs School of Business requires each enrolled student to adopt the Honor Pledge:

“I affirm that I belong to the honorable community of The University of Texas at Austin McCombs School. I will not lie, cheat or steal, nor will I tolerate those who do. I pledge my full support to the Honor System. I agree to be bound at all times by the Honor System and understand that any violation may result in my dismissal from the McCombs School of Business.”

## **Important Notifications**

### **Students with Disabilities**

Students with disabilities may request appropriate academic accommodations from the Division of Diversity and Community Engagement, Services for Students with Disabilities, 512-471-6259, <http://diversity.utexas.edu/disability/>.

### **Religious Holy Days**

By UT Austin policy, you must notify me of your pending absence at least fourteen days prior to the date of observance of a religious holy day. If you must miss a class, an examination, a work assignment, or a project in order to observe a religious holy day, you will be given an opportunity to complete the missed work within a reasonable time after the absence.

### **Policy on Scholastic Dishonesty**

The McCombs School of Business has no tolerance for acts of scholastic dishonesty. The responsibilities of both students and faculty with regard to scholastic dishonesty are described in detail in the BBA Program's Statement on Scholastic Dishonesty at <http://my.mcombs.utexas.edu/BBA/Code-of-Ethics>. By teaching this course, I have agreed to observe all faculty responsibilities described there. By enrolling in this class, you have agreed to observe all student responsibilities described there. If the application of the Statement on Scholastic Dishonesty to this class or its assignments is unclear in any way, it is your responsibility to ask me for clarification. Students who violate University rules on scholastic dishonesty are subject to disciplinary penalties, including the possibility of failure in the course and/or dismissal from the University. Since dishonesty harms the individual, all students, the integrity of the University, and the value of our academic brand, policies on scholastic dishonesty will be strictly enforced. You should refer to the Student Judicial Services website at <http://deanofstudents.utexas.edu/conduct/> to access the official University policies and procedures on scholastic dishonesty as well as further elaboration on what constitutes scholastic dishonesty.

### **Campus Safety**

Please note the following recommendations regarding emergency evacuation, provided by the Office of Campus Safety and Security, 512-471-5767, <http://www.utexas.edu/safety>:

- Occupants of buildings on The University of Texas at Austin campus are required to evacuate buildings when a fire alarm is activated. Alarm activation or announcement requires exiting and assembling outside.
- Familiarize yourself with all exit doors of each classroom and building you may occupy. Remember that the nearest exit door may not be the one you used when entering the building.
- Students requiring assistance in evacuation should inform the instructor in writing during the first week of class.
- In the event of an evacuation, follow the instruction of faculty or class instructors.
- Do not re-enter a building unless given instructions by the following: Austin Fire Department, The University of Texas at Austin Police Department, or Fire Prevention Services office.
- Behavior Concerns Advice Line (BCAL): 512-232-5050 (or <https://operations.utexas.edu/units/csas/bcal.php>).
- Further information regarding emergency evacuation routes and emergency procedures can be found at: [http://www.utexas.edu/emergency\\_](http://www.utexas.edu/emergency_)
