"Be forewarned—if you pick up this book, your presentations will never be the same again."
—Martin Lindstrom, bestselling author of Tribology
Today, we will cover…

- New features in PowerPoint 2010
- Inserting and trimming videos
- Inserting and editing images & other objects
- Using slide transitions
Thank You!

- The recording of today’s presentation, along with the PowerPoint slides, will be available on our Career Resources Web page by next week:
