Student Corporate Relations – Thank You Letter Guidelines and Template

Congratulations on receiving your corporate support! Securing funding for your student organization is just the start of the McCombs Student Corporate Relations process. Proper stewardship of your corporate donors creates a strong relationship with companies that will outlast your time at UT.

Pay it forward to future Longhorns and remember to send a timely and thoughtful thank you letter to your corporate partners.

Thank You Letter Guidelines

- Address your letter to the company contact, with whom your student organization has been coordinating– this makes your thank you more personal.
- Include specific information including notable accomplishments, events, and/or programming that were made possible by the company’s support.
  - Write a new and unique letter each year. These letters can be the catalyst to increasing a company’s giving level in coming years.
  - When possible, include a photograph with the letter as an extra touch.
- This is NOT a solicitation letter! Never make a proposal/ask/solicitation in a thank you letter – these communications are distinctly separate.
- Formatting checklist
  - Be sure to use the official name of the company
  - Single-spaced, justified text
  - 11 or 12 point font in GT Sectra Regular or Georgia (brand-approved fonts)
  - No more than one page, adjust margins as needed
  - Do not use letterhead, logos, or borders
  - Submit only as a Microsoft Word document
  - Please PROOFREAD
