Consulting Club

The Consulting Club’s mission is to connect and support classmates who share an interest in consulting careers (a student does not have to be currently employed as a consultant to join). It provides a platform for understanding the consulting career lifestyle through panel discussions and the alumni network within management consulting firms. The group also hosts company info sessions and provides opportunities for case interview preparation.

Graduate Business Council

The Graduate Business Council (GBC) provides a forum for student leaders to work directly with program leadership on to oversee the development, improvement and maintenance of a strong sense of community and pride within the Dallas/Fort Worth MBA program. Additionally, the GBC serves to promote diversity and inclusivity within the Texas MBA programs. The GBC should cultivate the values of community, philanthropy and legacy.

The GBC is the student government for all students enrolled in the Dallas/Fort Worth MBA program.

Graduate Women in Business

Graduate Women in Business (GWIB) strives to provide an atmosphere conducive to the professional and personal development of its members.

GWIB’s goals include: improving the visibility of women in the McCombs School of Business, offering career development resources to its members, providing opportunities for its members to enhance the skills they need to remain competitive in the marketplace, connecting members to news stories and articles related to women’s issues in the workplace, acting as an informational resource for prospective McCombs students, and promoting a spirit of camaraderie among our members and women in the business community in a variety of social settings and events.

Investment Club

The Investment Club was created by members of the McCombs School of Business Dallas/Fort Worth MBA Class of 2013 who were interested in actively trading and investing in equities, indexes, mutual funds, commodities and their respective derivatives. The club formed as an LLC in January 2012. Members contribute monthly to the general funds of the company which formulates and executes investments and trading strategies according to approved proposals. Members are encouraged to collaborate and share their insight and knowledge on multiple industries and market sectors. In addition to core investment strategies, the club focuses on trading strategies including protective stops, hedging and complex option spreads. The club is intended to provide members with a deep and meaningful experience in trading and investment which will be valuable in future personal and professional market endeavors.
**McCombs Ambassador Committee**

The McCombs Ambassador Committee (MAC) plays a vital role in providing the admissions staff with a student perspective on the MBA admissions process. MAC members participate in many aspects of MBA admissions including planning and attending recruiting events and serving as a point of contact for prospective applicants. As current students who were recently in your shoes, MAC members are a source of insight into the program for you as a prospective student, and a source of constant feedback for our admissions office to ensure we are addressing your needs as potential applicants and future Texas MBAs. To contact a current MAC member, please email: TexasMBADFW@mccombs.utexas.edu.

**Venture Club**

The Venture Club welcomes all budding entrepreneurs, people working in startups, and people interested in investing in startups. Club activities include the creation of business plans, brainstorming ideas, creation of special interest groups and inviting key speakers who have started or funded small businesses to provide their perspectives. The club’s focus is to provide valuable knowledge in succeeding in today’s entrepreneurial world as well as a supportive network of like-minded people. Every idea, big or small, is always welcome.
