ETHICS & CORPORATE
SOCIAL RESPONSIBILITY
Texas Full-Time MBA Concentrations

Ethics and corporate social responsibility (CSR) issues loom larger than ever in business decision-making and the ability to manage these issues is a core leadership skill. The Texas MBA concentration in Ethics & Corporate Social Responsibility is intended for students interested in (i) positions within business firms that deal with CSR, ethics and sustainability, or (ii) the impact of ethics and CSR issues on strategy. The courses within this concentration are designed to provide students with the tools and knowledge they need to manage the ethical and social responsibility aspects of business in today’s global economy.
