CONSORTIUM APPLICANTS:

The McCombs School is a 27-year member of the [Consortium for Graduate Study in Management \(CGSM\)](#) — a seventeen university alliance that seeks to increase the number of minorities in MBA programs and managerial positions in business. If you are planning to apply through the Consortium, your application process will be different than the McCombs application process outlined on this page. Please visit our [Diversity page](#) to learn more about that process or visit the [Consortium for Graduate Study in Management](#) website directly for more information.

REAPPLICANTS:

Official test scores are kept for one calendar year. If you have submitted an application beyond one year in the past, you may be required to re-submit certain credentials. For more information on reusing components of a prior application click [here](#).

Test Scores:

- Official test scores must be submitted directly to the University of Texas at Austin and self-reported in the online Texas MBA application.
- **Do not submit your application until you are satisfied with your scores.**
- **Test Score Codes:** Submit official test scores to The University of Texas at Austin using the following codes:
 - GMAT Code: 396-44-45
 - GRE Code: 6882
 - TOEFL Code: 6882
 - IELTS: scores are sent by hard-copy mail upon your request to GIAC, The University of Texas at Austin, P.O. Box 7608, Austin, TX 78713-7608
 - PTE: Not accepted at McCombs
- GMAT and GRE test scores expire five years from the test date, and TOEFL test scores expire two years from the test date.
- The date your official scores are sent to the University of Texas should be no later than your Round Deadline. McCombs requires either the GRE or the GMAT, and for international applicants, the TOEFL or IELTS.
- Permanent residents are not required to submit a TOEFL or IELTS score. We do not accept or substitute any exams in lieu of those listed above.
- **Test Retakes:** It is recommended that you submit your application only after you are satisfied with your test scores. However, if you retake any exam and wish to have your new score included with your application, please send the new score report to the Texas MBA via [email](#).
- **TOEFL or IELTS Waivers (Pertains only to international applicants who have submitted applications):** U.S. citizens and Permanent Residents do not need to submit a TOEFL or IELTS score. A waiver of the TOEFL or IELTS is automatically granted (no request needed) if you are an international applicant and have earned an undergraduate degree in a country where the official language is English (not just an English-speaking institution or a country where English is spoken) ([see country list here](#)).
 - In order to request a TOEFL or IELTS waiver you must have submitted a Texas MBA application AND meet one of the following conditions:
 1. You have lived and worked fulltime in the U.S. or in a country where English is the official language for at least two of the past four years ([see country list here](#)).
 2. You hold a masters degree from a college or university located in the U.S. or from a country where English is the official language ([see country list here](#)).
 3. You were educated solely in English for your undergraduate and/or prior graduate degree.
 - If you do not meet any of these conditions, you are required to submit the TOEFL or IELTS exam without exception. If you meet the conditions above, please check the appropriate box requesting the waiver in the test score section of your application. You will receive a confirmation of your waiver decision within two weeks of submitting your application.

Education History:

- Upload official transcripts to McCombs in this section. **Be sure you have blocked out any social security numbers on these documents BEFORE uploading.**
- You will also perform a separate upload of official transcripts to GIAC after submitting your application and paying the fee.
- If documents are written in a language other than English, complete and official English translations must be sent together with the original language records.
- Each transcript (mark sheet) should contain a complete record of studies at the institution from which it is issued (i.e., the subjects taken and grades [marks] earned in each subject).
- **Upload Transcripts to GIAC:**
 - After you have submitted your application and paid the application fee, you will receive an email that contains a link to the GIAC document upload website where you will be able to upload transcripts. The uploaded transcript is considered to be unofficial but will be used to process your application for admission. Please do not mail official transcripts or paper copies of your transcripts before you are offered admission. **Sending paper copies of documents you have uploaded will significantly delay the processing of your application. Former University of Texas at Austin students do not need to upload UT - Austin transcripts.**
 - *Note to Former University of Texas at Austin students:* You are required to pay an additional \$10 fee for transcripts if you are a former student of UT- Austin. This amount will be billed to you through “What I Owe” and may or may not be invoiced at the same time as the application fee. You must pay this fee at the time it is billed. This will satisfy any future requirement for submitting official transcripts from your UT- Austin coursework.

- [See important general information on transcripts. See instructions for uploading the PDF of your transcript to GIAC.](#)

- You can monitor the status of your recommendations during and after submitting your application; and you can resend notifications if necessary.

- Your fee status should reflect "Paid" within two business days of payment.
- If you apply to more than one Texas MBA program or to an MBA and MSTC, you are required to pay the fulltime Texas MBA application fee and the other application fee will be waived. Please contact us **AFTER** you have submitted both applications.
