How we can guide you
KPMG’s Campus Readiness Program provides students with experienced faculty mentors, career coaching, professional networks, and industry insights that prepare you to succeed in your future career.

Career Development Resources*

Individual Advising
The Career Development Office provides advising to help students identify and develop their career goals. The office also helps students with job searches, resume building, and interview preparation.

On-campus Recruiting
KPMG holds on-campus recruiting events to connect students with potential employers. These events provide opportunities for students to network with professionals and learn about different career paths.

Company Tours
Students and alumni can tour companies to gain a more in-depth understanding of the workplace culture and good opportunities for networking.

Career Development Bootcamp
Mentors provide career guidance and prepare students for professional interviews, helping them navigate the job search process.
