

Doug Swanson
Managing Partner
EnCap Investments, LP
Houston, TX

Mr. Swanson is a Managing Partner with EnCapInvestments, LP where he serves on the Investment Committee and Management Committee of the firm. He is involved in setting the strategic direction of the firm and is also responsible for originating and managing investments in the upstream portion of the oil and gas business. EnCap is the leading provider of private equity to the independent sector of the United States oil and gas industry and currently manages \$26.5 billion of institutional capital.

Prior to joining EnCap in 1999, Mr. Swanson spent three years as a corporate banker with Frost National Bank and Amegy Bank. Mr. Swanson graduated from the University of Texas at Austin in 1994 with a Bachelor of Arts degree in Economics and also received his Master's in Business Administration from the University of Texas in 1999.

Mr. Swanson currently serves on the boards of Oasis Petroleum Inc, Earthstone Energy, Eclipse Resources and numerous other private oil and gas operators. He has served or is currently serving on the boards of Small Steps Nurturing Center, the HMTF Center for Private Equity at UT Austin, the Kinkaid School Board of Trustees, and the Houston Country Club. He is also active at Methodist Hospital Houston serving on both the Senior Cabinet of the Presidents Leadership Council and on the Steering Committee for the Campaign for the Second Century.

Mr. Swanson and his wife, Courtney, a Plan II and BHP graduate of the class of 1995, are the proud parents of four children; Sarah, Skyler, Will and Doug III.
